Jeremiah Program: Cook for Kids Volunteering

Empowering struggling mothers committed to self-improvement

This summer ESP staff cooked and served a meal at Jeremiah Program, a local organization whose mission is to transform families from poverty to prosperity. Proud, determined, and hardworking, the women of Jeremiah Program are driven to create a brighter future for their children, but have lacked the support necessary to change their lives.

Women in the program must be enrolled in a post-secondary or training program, and have children under the age of five. ESP participated in Cook for Kids, a meal served on evenings when the mothers have life skills education.

Our homemade pizzas were a huge hit, and we had a lot of fun preparing and serving a meal for these inspiring women and their children.

Cook for Kids is a great opportunity to give back with your team or family. It is a small time commitment of a few hours, it is fun, and it is so much appreciated by the women at Jeremiah Program. Fill out a [volunteer form](#) or visit www.jeremiahprogram.org to learn more about how you can get involved!
